

FMI® *Franklin Mutual Insurance* *Personal Excess Liability Program*

Unfortunately, lawsuits and large settlements are becoming more common in today's society. Regardless of your income, you and your family may be exposed to judgments that could be catastrophic to your personal assets. You may be backing out of your driveway where your neighbor's children are playing, working as a community volunteer, or just walking your dog, and the unthinkable happens. The FMI Personal Excess Liability Program can stand between you and a financial disaster.

YOU DON'T HAVE TO BE A MILLIONAIRE TO BE SUED LIKE ONE!

- Defense costs for suits filed against you for covered claims.

By offering these essential coverages as an endorsement to your FMI Homeowners Policy, there is no need for another policy.

The FMI Home Business Program is available exclusively through a network of local independent agency professionals with strong client and community ties.

So when it comes to safeguarding your home or personal assets, you can place your trust in FMI and its local professional independent agents.
